

Christopher Butler, PA-C

Mr. Christopher Butler is a certified Physician Assistant who started his healthcare career in 1991 as a Radiologic Technologist. Following his 6 years of employment in this field, he completed a degree in Nuclear Medicine and worked as a Nuclear Medicine Technologist for 2 years. In 1999, he was accepted into Louisiana State University Medical Center School of Allied Health Professionals for Physician Assistants. He received a Bachelor of Science as a Physician Assistant in 2001.

Chris has practiced as a Physician Assistant for over 10 years in several diverse settings to include Family Practice, Orthopedics, Emergency Care, and Pediatrics. Chris became employed at The Pediatric Center in June of 2010 where he also enjoys helping patients and their caregivers when in need and helping them stay healthy.
